LOGLOCKER

LogLocker for Microsoft Sentinel

Secure new recurring revenue with your Microsoft Sentinel customers by offering LogLocker for Microsoft Sentinel

Customer benefits

LogLocker simplifies a complex storage challenge for Microsoft Sentinel customers. It offers a low-cost, long-term storage solution for business-critical event logs that need to be retained for legal, compliance and reputational needs.

Customers and partners love LogLocker because of:

- ~60% reduction in the logs retained
- Potential 30-40% cost saving
- Easy deployment within hours, for immediate revenues

CSP benefits

Competitive margin offers for CSPs

An easy way to increase your recurring subscription revenue

Differentiate yourself by showcasing deeper expertise in Microsoft Security solutions

Target industries and organisations

- Financial Services
- Healthcare and Life Science
- Public Sector and Government
- Large Enterprises
- Regulated Customers
- Use Microsoft Sentinel
